

Police Sohayota Kendra

The area of Police Stations have been divided into different anchals and anchal officer has been entrusted with the responsibility of a particular anchal. These officers along with the Village Police and Civic Volunteer use to visit different villages, set up a camp and listen to the grievances of the local public on a regular basis. The complaints are noted down in anchal register. The matters of civil in nature are compiled and sent to the local BDO for taking necessary action from their end. The matters related to Police are dealt with directly by the police. In these camps, the officers use to discuss various issues like Prevention of Child Marriage, POCSO Act, Anti-Human Trafficking, ATM Frauds, Drug Abuse, etc. and make the people aware about these issues.
