Corrigendum Notice

Dated: 12/02/2026

e-Tender Notice No.: WBPD/Cargo Drones/NIT-04/2025-26

Sub: e-tender for procurement of Surveillance Drones with Cargo Carrier for the use of West Bengal police

E-Tender ID: 2026_WBPD_994367_1

Matter of Corrigendum

On the basis of pre- Bid meeting held and communications received from various corners, the following points have been decided by the competent authority to be included /amended in the NIT/Specifications of the above stated e-Tender for compliance by the potential bidders:

- 1. Maximum Flight time at Maximum all-up weight (In minutes) & Class of UAV – (Point No. 1 & 3 of QR):** The all-up weight of the UAV will be enhanced up to 10 Kgs (small category) and maximum endurance of the UAV with all up weight will be 45 Minutes.
- 2. Maximum Flight distance at Max All-up weight (In KMs) - (Point No. 8 of QR):** Incorporation of Line of Sight (LOS) technology to achieve the specified maximum flight distance of 6 kms. at full payload capacity.
- 3. Camera Day & Night thermal combination - (Point No. 9 of QR):** The day sight resolution of the Camera has been considered as 30x digital zoom.
- 4. Pay load to be carried by the Cargo carrier mounted on the UAV- (Point No. 10 of QR):** The payload weight is fixed at 03 kg.
- 5. Number of Landers - (Point No. 23 of QR):** The exact number of landers is omitted. Instead, it may be read as 'The Landers should have Safe Landing System'.
- 6. Warranty - (Point No. 24 of QR):** The proposed 03-year warranty is limited to operational or manufacturing defects only. Damages caused due to user handling errors or natural calamities are excluded from warranty coverage.
- 7. Inclusion of an 'Obstacle Avoidance Sensor' to prevent accidents and ensure safer UAV operations during missions.**
- 8. 'Provision of a search light' alongside the cargo carrier to facilitate smooth and accurate cargo dropping during night-time operations.**
