Respected sir,

I am Ramzan Ali Mandal resident of Baruna Raigram, Monteshwar Police Station, East Burdwan District, West Bengal. Complaint against the officer-in-charge of Monteswar police station in West Bengal, Trinamool gangsters are helping, to do anti-social work, the gangsters are doing a lot of violence in my house now every night, and these anti-social miscreants. I have been away from home since the announcement of the 2024 poll results. It's post-vote violence. I can't enter the house, I have been without home for a long time, and my family is being tortured by the TMC party goons. Police are totally inactive.

I have informed the Superintendent of Police many times by letter. It is a case of negligence of duty of the concerned THE SUPERINTENDENT OF POLICE - Badamtala, Kalibazar, PURBA BARDHMAN WEST BENGAL since he is the head of District administration. It is a case of post-poll violence. It is human rights violence.

My request to you is that I cannot enter the house because of the party goons. Help me enter the house with adequate security. You have been informed many times before, but I did not get any adequate help. So request you again and again to look into the matter very seriously and help me to enter home. Please arrange for me to enter the house with adequate security as soon as possible. Please give me justice.

Thanking you. Yours' faithfully
Ramjan ali mondal
